

Candle Care

For the best results, follow these instructions...

GLORIOUS
GLOW
CANDLE CO.

Do

Trim the wick at least 1/4" before **each** use.

Allow wax to melt to the edge of the glass upon the first lighting.

Burn your candle for at least two hours upon first use.

Don't

Burn candle for more than four hours at a time.

Keep candle or flame within reach of pets and children.

Leave wick trimmings in candle while burning.

Place candle in a drafty area.

Thank you for your order!
